The composition or thesis must be sent to the Secretary of the Faculty not later than the first of April, accompanied by a declaration that it is the candidate's own unaided work.

The exercise or thesis, if accepted by the Faculty, must be deposited in the University library and cannot be returned to the candidate. If a candidate wishes to keep a copy of his exercise, he should write upon paper specially designed for reproduction and have a photostatic copy made to be retained by himself, submitting the original exercise to the Secretary. Similarly, a candidate wishing to retain a copy of a type-written thesis should make arrangements accordingly before submitting it.

Candidates for the degree may defer presenting this composition or thesis until a subsequent annual examination, in which case the fee for the examination shall be ten dollars (\$10.00).

There is vested in the Council of each federated university or college and of each faculty disciplinary jurisdiction over and entire responsibility for the conduct of their students in respect of all matters arising or occurring in or upon their respective buildings and grounds, including residences.

Disciplinary jurisdiction in all other cases as respects all students is vested in the Caput.

The Students' Administrative Council in the discharge of all duties entrusted to it will be supported in the due discharge of those duties by the disciplinary power of the Caput.

No student will be allowed to continue in attendance, whose presence is deemed by the Council of his college or faculty to be prejudicial to the interests of the University. The continuance of any student in attendance at a course in the University or the receipt by him of official certificates of standing or of graduation, is subject to such exercise of the disciplinary power of the Caput as may be necessary to enforce the regulations of the University and to maintain standards of personal conduct acceptable to the University. In the exercise of its disciplinary power, in the interest both of the University and of the student, the Caput will take into consideration the conduct of the student both inside and outside the University premises. In all cases an appeal to the Board of Governors may be made.

Students proceeding regularly to the degree are required to attend the courses of instruction and the examinations in all subjects prescribed for students of their respective standing, and no student will be permitted to remain in the University who persistently neglects academic work.

Unless special permission is granted by the Council of the faculty concerned, a student will not be permitted further registration or examination in the University if, at the end of two sessions spent in the same year of the course in which he is registered, he has failed to obtain the standing necessary to qualify him for registration in the succeeding year of the course. An appeal from the decision of the Faculty Council may be made to the Senate.

All interference on the part of any student with the personal liberty of another by arresting him, or summoning him to appear before any tribunal of students, or otherwise subjecting him to any indignity or personal violence, is forbidden by the Caput and by the Councils of the colleges and faculties.

No initiation ceremony involving physical violence, personal indignity, interference with personal liberty, or destruction of property, may be held by the students of any college or faculty of the University under the penalty of suspension or expulsion.

Any reception of the students of the first year in any college or faculty must be approved by the Council of that college or faculty, but such reception must not involve any infraction of the regulations of the two preceding paragraphs.

The organizing of a parade in the streets of the city or the taking part in such parade without the permission of the authorities of the city on application of the Students' Administrative Council will be regarded as a breach of discipline.

The use of loud-speaking equipment in University buildings or grounds, whether stationary or moving, or whether operated by students or others, is forbidden except by permission of the Board of Governors or the Caput.

Any individual or individuals directly responsible for an undesirable feature in connection with any Stunt Night or other entertainment given under the auspices of a student organization will be subject to disciplinary action by the Caput.

A committee of staff and students appointed by the Council of the college, faculty or school concerned will provide effective supervision of the programmes of all Stunt Nights and other public entertainments and will see that the programme follows the script as approved by the Council concerned.

The constitution of every university society or association of students in any college, faculty or school, and all amendments to any such constitution must be submitted to the Caput. Responsibility for the conduct and programmes of each society or association of students drawing its membership from a single college, faculty or school shall rest with the Council of the college, faculty or school concerned. Responsibility for the programmes arranged by the committees of Hart House and controlled by the Board of Stewards of Hart House shall rest with the Board of Stewards. Responsibility for the conduct and programmes of every other society or association of students shall rest with the Caput.

A student who is under suspension, or who has been expelled from a college or faculty or from the University, will not be admitted to the university buildings or grounds.

It is essential that students should develop a sense of personal responsibility for the preservation and promotion of their own health, and if they are not enjoying good health, they are urged to consult a physician at this clinic.

(4) Athletic Injury Service. The University does not accept any responsibility for injuries sustained by students while engaged in physical education classes or in University athletic activities. However, treatment of minor conditions is provided at the Men's and Women's Health Service, and Hart House Surgery, during certain hours. The expense of treatment obtained outside of the Department of Health Service will be met only if approved by the Director.

The undergraduates on all these committees are elected annually by the undergraduate members of Hart House. The undergraduate secretaries of five of these (House, Library, Music, Art, and Debates) together with certain appointed representatives, sit on the Board of Stewards, the governing board of the House which is directly responsible to the Governors of the University. Of this Board the Warden is ex-officio chairman. The purpose of the Theatre is the encouragement of Dramatic Art in all its aspects, particularly among the undergraduates of the University. The Theatre has a resident director and competent staff who are available for consultation and assistance. Their main activity is the production of a series of plays with all-student casts.

The Theatre was founded by the generosity of the trustees of the Massey Foundation, particularly the Right Honourable Vincent Massey and Mrs. Massey. Under the Massey Foundation and with the assistance of outstanding directors the Theatre has established an enviable reputation in Little Theatre activity throughout North America.

### LIVING ACCOMMODATION FOR MEN

Through the generosity of the late E. C. Whitney, Esq., Mrs. Whitney, and friends, the University offers to approximately two hundred men the advantages of residential life within its own grounds. The Residence consists of three Houses: South, East, and North.

Occupants are required to pay their residence dues in three instalments; the first instalment of \$60.00 on or before the opening day of the session, the second instalment of \$50.00 by November 20th, and the third instalment of \$42.00 by February 20th.

Except under very special circumstances, occupants will be required to remain in the Residence for the full academic session. Occupants who obtain permission to withdraw will be required to give two weeks' notice and to forfeit their deposits.

Applications for rooms must be submitted to the Secretary of the Residence Committee, Registrar's Office, Simcoe Hall. Forms for this purpose will be supplied on request. As early as possible during the summer preceding attendance at the University, each successful applicant will be notified of his assignment. He must then send to the Secretary of the Residence Committee a deposit of \$5.00. On receipt of this he will be sent an assignment card. Cheques or money orders must be made payable to the University of Toronto. The deposit will be forfeited if written notice of non acceptance of a room assigned is not received by the Secretary before September 15th. If such notification is not received until after the opening of the session, the applicant will forfeit his deposit and will be required to pay a penalty of two weeks' room rent. On request the deposit will be refunded in full at the end of the college year if the room key is returned and the room and furniture left in a satisfactory condition.

The University lays down three general rules designed to prevent hazing, gambling, and the use of intoxicants.

A circular giving further information may be obtained from the Secretary of the Residence Committee

### HOUSING SERVICE FOR STUDENTS

For those students who are not accommodated in the University and College residences, the Students' Administrative Council prepares annually a list of inspected and approved rooming houses, flats, apartments and homes. This list may be consulted at the housing office in Hart House after August 1st and throughout the session.

To meet the housing shortage in Toronto, the Students' Administrative Council has greatly expanded its Housing Service. Every effort is being made to provide family accommodation for married ex-service students and for those who have children. Information may be obtained from the Students' Administrative Council's Housing Service office, Hart House.

Through this service many opportunities have been afforded students, including those students who are married, to obtain lodging and board in exchange for part-time services. Students desiring this type of accommodation are asked to indicate this when they apply.

### LIVING ACCOMMODATION FOR WOMEN

It is regretted that accommodation in College residences is no longer available. Lists of boarding houses are compiled by the Students' Administrative Council, Hart House, and can be obtained by applying in person. Rooms have to be investigated by the inquirer and as a rule can be secured only by payment in advance.

### STUDENT CHRISTIAN MOVEMENT

The Student Christian Movement in the University of Toronto is part of an international fellowship of students in the colleges and universities of the world, the World's Student Christian Federation.

It is a fellowship, based on the conviction that in Jesus Christ are to be found the supreme revelation of God and the means to the full realization of life. As a movement it seeks through study, prayer and practice to understand the Christian faith and to live the Christian life by uniting in its fellowship all students who share its basic convictions as well as those who wish to test its truth. Among the methods employed by the Movement in seeking to realize its purpose, are study groups, worship services, forum discussions, conferences, lectures and social services in the downtown district. It is not necessary to "join" in order to share in the programme of the Movement. Its activities are open to all.

Full information may be obtained from the S.C.M. offices in Hart House and the Household Science Building.

### THE STUDENTS' ADMINISTRATIVE COUNCIL

The Students' Administrative Council is composed of the president or head of the recognised men and women student organizations in each of the colleges, faculties and departments of the University as outlined in Article 4 of the Constitution. The Students' Administrative Council assumes responsibility for the publication of *The Varsity*, *Torontonensis* and the *Students' Hand Book*. It represents the students at University

functions and on public occasions; and receives and administers all funds accruing from Student Council fees, revenues from publications and such other funds as shall become the property of the Students' Administrative Council; and through its secretaries it organizes such inter-collegiate and University activities as may be of interest to the student body as a whole.

The Council operates an employment bureau for men and women undergraduates for summer, Christmas, and part-time work; a housing service for men and women undergraduates; and a loan fund for men and women undergraduates in the final two years of their courses. Applications for loans must be made to the Students' Administrative Council's office; maximum loan \$100. The sale of official University rings, pins, crests, etc., and orders for official blazers are also in the hands of the Council.

The University Symphony Orchestra, University Mixed Chorus and University of Toronto Band are activities of the Council in which undergraduates of the University may participate. The Council through its Radio Committee conducts courses in announcing, script writing and casting which are for undergraduates. These are under the direction of competent instructors from the C.B.C.

Through its organizations such as the Blue and White Society and the All Varsity Revue, the Council endeavours to promote a University consciousness and loyalty amongst the undergraduate body.

The annual fee paid by all undergraduates proceeding to a degree provides for a subscription to the publications of the Council to which the student is entitled and makes available to them all services of the Council including the loan fund to students in the final two years of their courses. The fee also covers administrative costs of the Students' Administrative Council.

The Students' Administrative Council is prepared to make to ex-service personnel emergency loans pending receipt of their entitlements under the Educational Benefits provided in the post-discharge re-establishment order.

The Directorate, subject to the approval of the President and the Physical Director for Women, is empowered by the Board of Governors to control and administer the compulsory Physical Education programme required by the Board of certain women undergraduates during the first year of their attendance. The Directorate also controls and administers the voluntary programme in Athletics and Physical Education available to women undergraduates of all years.

Under the authority of the Board of Governors, the Women's Athletic Directorate administers the funds of the Association which are used to further the development of competitive and recreational athletics for undergraduate women.

The Directorate alone has the power to sanction the use of the name "The University of Toronto" in connection with women's athletics, and no athletic event for women may be held in the University without its approval.

UNIVERSITY OF TORONTO  
UNIVERSITY NAVAL TRAINING DIVISION

The University Naval Training Division course has been instituted by the Royal Canadian Navy to provide an opportunity for suitable young men in Canadian universities to perform officer's training while they are undergraduates and prepare themselves thereby for promotion to commissioned rank in the R.C.N. or R.C.N.(R) on graduation.

Men who are accepted are entered at first in the lowest rating of the branch for which they apply. If they pass a selection board which takes place before 1st February of their first academic year, they are advanced to the rank of Cadet R.C.N.(R). On graduation a successful cadet may be promoted to either Acting Sub-Lieutenant, R.C.N., or Sub-Lieutenant, R.C.N.(R).

- (a) Students in Electrical Engineering, Engineering Physics, Engineering and Business are entered as Electrician's Mates, 2/c (U.N.T.D.).
- (b) Students in Engineering other than courses listed in (a) are entered as Stokers II (U.N.T.D.).
- (c) Students in Medicine are entered as Sick Berth Probationers.
- (d) Students in Arts, Commerce, Law, or Business Administration who elect to enter the Supply and Secretariat Branch are entered as Writer Probationers (U.N.T.D.).

- (f) Pre-Medical students are entered as Ordinary Seamen (U.N.T.D.).

U.N.T.D. men are given a minimum of sixty hours' training during the academic year. They must do two full summer vacation periods of training at the coast and a minimum of two weeks' training during other summers. Summer training consists of cruises at sea and courses in schools ashore.

Until promoted to the rank of Cadet R.C.N.(R), U.N.T.D. men wear uniforms similar to those of seamen in the Royal Canadian Navy, thereafter they wear special cadet uniforms.

U.N.T.D. members are paid training allowance for attendance at Divisional Drills performed during the academic year. The total training allowance paid during an academic year for a man or cadet shall not exceed sixteen days' pay at \$58 per month for the first year men, \$69 per

month for second year men, for Cadets R.C.N.(R) \$143 per month. During summer training periods the monthly rates of pay for U.N.T.D. members are as follows:

## UNIVERSITY OF TORONTO CONTINGENT CANADIAN OFFICERS TRAINING CORPS

In view of the record of the officers who received their training in the COTC before and during the war, the Director of Military Training at Canadian Army Headquarters has stated that this Corps is now looked upon as the chief source of officers for the Canadian Army.

A student who completes his training in the COTC is granted a commission as a lieutenant in the Canadian Army upon graduation and may join the Active Force (permanent army), if vacancies are available, or the Reserve Force. He is, however, under no obligation to do so but may remain on the Supplementary Reserve (inactive list).

Training is organized into two portions:

- (a) Practical training, twelve to sixteen weeks each summer at Active Force Schools.
- (b) Theoretical training, lecture courses during two academic sessions; not more than forty lectures per session.

Pay during the summer is \$143 per month, and for those completing each theoretical lecture course, an additional ten days pay. During summer training, board, lodging, clothing and transportation from home or University to Corps Schools and return, is all provided free of charge.

To be eligible, students must be eighteen to twenty-two years of age, British subjects, physically fit, and following a course of study leading to a University degree. Exceptions as to age are made in cases where a student was in one of the services during the war.

Application for training should be made in person before the 20th of October to Contingent Headquarters, 119 St. George Street, Toronto. Previous experience has been that many more applications are received than can be accepted. Early application is advisable.

The Contingent Staff for the session 1949-1950 is:

<i>Honorary Colonel</i> .....	COLONEL H. J. CODY, C.M.G., E.D.
<i>Commanding Officer</i> .....	LIEUTENANT-COLONEL W. L. SAGAR

## ROYAL CANADIAN AIR FORCE (AUXILIARY)

### UNIVERSITY FLIGHT (TORONTO)

In 1948-1949 a University Flight of the RCAF was established at the University of Toronto. Initially this Flight was organized as a university detachment of 400 Squadron—a Toronto-based fighter squadron of the RCAF (Auxiliary); but it is probable that the Flight will eventually be organized as a University Reserve Training Unit of the RCAF Reserve.

The function of the University Flight is to foster interest in the RCAF and furnish a flow of trained university students into the Regular, Auxiliary and Reserve Air Force. Its original establishment provided placement for 100 students, comprising:

- (1) Students who already had one or two or three consecutive summers of aircrew training in the RCAF; and
- (2) Students desiring training for post-graduate appointments in one of the three components of the RCAF—i.e. Regular, Auxiliary or Reserve.

It is expected that at the commencement of the academic session 1949-1950 there will be not less than 35 vacancies in the University Flight, these being reserved for men of classes due to graduate from the University of Toronto in 1953, 1954 or 1955. Students selected for these vacancies are to be appointed to the rank of Flight Cadet—a comparatively new officer rank, which may be thought of as that of an officer cadet. Before appointment as Flight Cadets, students are required to sign an undertaking that upon completion of their service in the Flight they will remain in the RCAF (Auxiliary) or at their own option transfer to either the RCAF (Regular) or the RCAF (Reserve).

While serving as members of the University Flight, students are given "winter training" consisting largely of lectures during, normally, three successive academic years. Their three sessions of winter training are each immediately followed by a period of "summer training". In the case of Flight Cadets selected for aircrew, this training consists of spending three summers in qualifying as pilots, navigators, or radio officers. In the case of Flight Cadets selected for other training, this consists of contact training at appropriate RCAF units during summer months of three suc-

cessive years. For winter training, the pay allowed each University Flight Cadet is approximately \$25 in his first year, and \$50 in each of his second and third years. For summer training his entitlement, ordinarily for a period of approximately four months, is \$153 per month plus rations and quarters valued at \$55 per month. These rates of remuneration are supplemented by certain extra allowances for those Flight Cadets who participate in winter or summer flying training.

The RCAF Orderly Room at the University of Toronto is located at 119 St. George Street, and serves as a focal point not only for affairs of the University Flight but also for other interests of students in the RCAF. In this Orderly Room, ex-aircrew students who desire to participate in the Veterans Summer Employment Plan of the RCAF may file applications; and members of graduating classes (and other interested students) may obtain information regarding full-time service in the RCAF (Regular), and file applications for appointment to such service.

In the session 1948-1949 the staff of the RCAF on the campus of the University of Toronto was as follows:

*University Air Liaison Officers—*

W/C T. R. LOUDON, VD, RCAF (Reserve)

S/L F. L. HUTCHISON, RCAF (Auxiliary)

*RCAF (Regular) Liaison Officer—*

F/L M. A. EVERARD, RCAF (Regular)

*Clerk—*

LAC R. J. STRINGER, RCAF (Regular)

*Officer Commanding RCAF (Auxiliary)*

*University Flight (Toronto)—*

S/L F. L. HUTCHISON, RCAF (Auxiliary)

## UNIVERSITY ADVISORY BUREAU

The University Advisory Bureau seeks to make its own contribution to the life of the University by providing within the University a neutral zone where the student may discuss in freedom and in confidence personal matters of the most fundamental importance to his successful development as a student, as a worker, as a citizen and as a fully effective person.

In keeping with this objective, the Bureau performs the following functions:

(a) Through liaison with the University departments, the Registrars' offices and appropriate services on the campus, the Bureau furnishes information and assistance in the financial, educational and personal spheres. The Bureau, for instance, serves as a focal centre for applications to the Veteran-Students' Loan Fund and provides information on other loan facilities, including Navy, Army and Air Force Benevolent Trust Funds. Working with appropriate Registrars' offices, the Bureau helps

the student to clarify details regarding entrance requirements, courses of study and related occupational goals. The Bureau is also available for consultation on personal questions involving adjustment to University life, assessment of interests, vocational direction and other matters of a similar nature; where advisable, students are referred to more specialized services.

(b) Liaison with D.V.A. The Bureau works closely with the Department of Veterans Affairs, both locally and with Ottawa headquarters, on all matters affecting the interests of ex-service students and in many ways serves as a campus clearing house for problems which might otherwise require to be referred to the Toronto office of D.V.A.

(c) Liaison with other Universities. In contact with the Advisory Bureaus located at other Universities across Canada, the Bureau seeks to maintain up-to-date information on local variations in all fields significant to ex-service students—entrance requirements and application deadlines, courses available, length of training, degrees awarded, etc.

The personnel consultants associated with the Bureau have for the most part seen service in the late war and have been associated with the Personnel or Rehabilitation Directorates of the Navy, Army or Air Force.

The Bureau is located at 67 St. George Street.

## THE UNDERGRADUATE ASSOCIATION OF THE FACULTY OF MUSIC

The Undergraduate Association is the official undergraduate organization in the Faculty of Music. Its membership consists of those students enrolled in the course in General Music who are in attendance at the University and all students enrolled in the course in School Music.

The object of the Association, as stated in its Constitution, is "to promote the interests of undergraduates in the Faculty of Music, to cultivate relations between the faculty and the student body, to encourage the participation of the student body in University activities, and to further goodwill among the members themselves."

The officers are elected annually and consist of the President, the Vice-President, the Secretary, the Students' Administrative Council representative and an Executive Committee composed of twelve members representing each year and course. One member of the faculty is chosen annually by the officers of the Association to act as an adviser to the Association.

Candidates for the degree of Doctor of Music who are Bachelors of Music of the University of Toronto and who shall have satisfied the examiners in the submission of a musical exercise other than a thesis, may register at any time, not earlier than the first November of the calendar year following that of their graduation as Bachelors.

Applications from candidates for the degree of Doctor of Music, who are Bachelors of Music of more than one year's standing in other universities, must be submitted to and approved by the Mus. Doc. Committee of the School of Graduate Studies. Applications for such admission should be accompanied by a full statement and evidence of academic standing and should reach the Secretary of the School of Graduate Studies not later than October 20th of the year in which they wish to register.

The requirements are two: (1) a written and oral examination (see paragraph 1 below); (2) a musical exercise (see paragraph 2 below). The exercise may not be submitted until after both written and oral examinations have been passed.

1. The written examination will include Harmony, Counterpoint, (in not more than eight parts), Fugue, Musical Form, Orchestration, and Musical History, of a more advanced character than that of the Mus. Bac. examinations. The oral examination will include questions of a general nature besides questions relative to the critical and analytical knowledge of the following scores:

ELGAR: Symphony No. 1 in A Flat (Miniature Score: Novello)

DEBUSSY: La Mer (Miniature Score: Durand)

(b) A work for full orchestra in cyclic form.

(c) An orchestral tone-poem.

The exercise should require at least 30 minutes in performance. It must be submitted not later than the 15th of March of any year following that in which the candidate has passed the written examination.

The exercise, if accepted by the Faculty, must be deposited in the University Library and can not be returned to the candidate. If a candidate wishes to keep a copy of his exercise, he should write upon paper specially designed for reproduction and have a photostatic copy made to be retained by himself, submitting the original exercise to the Secretary.

The examinations will take place in Toronto early in May or at times to be fixed by the Senate. The candidate will be allowed to repeat those papers in which he does not reach the required standard, provided that the number of those papers does not exceed three.

Applications accompanied by the proper fee must be transmitted to the Secretary of the School of Graduate Studies before the first of March preceding the examination.
